By Ralph D. Paine. London, June 22.-This was a busy day on the Thames, with the arrival of the Leander, New College, of Oxford, and the first Trinity, three Grand Challenge crews. Leander was out this morning for its first Yale shell as they please, for there is no spin, with a stroke up to thirty-two, Gold, of Oxford, being the stroke. They were stroked by Guy Nickalls at 6 this evening. They are a snappy, wirey lot. Their work is smooth and much better than that
